The questions on this page all have to do with sexual experiences in your life that you might wish hadn't happened or were confused about. Because of the nature of these questions, it is sometimes difficult to think about and you may become upset. If you need help, there are reference phone numbers and resources listed at the end of this survey.

Some people, while growing up had a sexual experience with an adult or someone at least five years older than themselves. These experiences may have involved a relative, family friend, or stranger. During the first 18 years of your life, did an adult or older relative, family friend, or stranger ever:

- ☐ Touch or fondle your body in a sexual way
- ☐ Have you touch their body in a sexual way
- ☐ Attempt to have any type of sexual intercourse (oral, anal or vaginal) with you
- ☐ Actually have any type of intercourse (oral, anal, or vaginal) with you

If yes to any of those categories, then answer the next 5 questions; otherwise go to page 8

If yes to any of those categories, then answer the next 5 questions; otherwise go to page 8
