

## Traditional Parenting Education

- takes place in a classroom
- a set of lessons delivered one time
- for parents/caregivers...most being compelled by a court of law
- requires time, effort, planning, expense
  
- often poorly attended
- stigma attached
- community participation unavailable

## Passive/Public Parenting Education

- takes place in public
- continuous, ongoing
- for everyone
  
- requires neither time, effort, planning, expense
- n/a
- no stigma
- individuals, businesses, agencies, organizations may participate
