### MONTEFIORE MEDICAL GROUP BHIP OVERVIEW

As the largest integrated pediatric behavioral health service in the nation, and one of the very few to offer pediatric lifespan interventions, we invite you to join us.

Hear from our experts on:

- Short-term, evidence-informed modularized treatment
- Prenatal identification of families at risk using ACEs (Adverse Childhood Experiences) Screening
- How to ensure secure attachments and healthy brain development in infants and toddlers
- How to treat parental mental health concerns, *within pediatrics*
- The important role of Motivational Interviewing in integrated behavioral health
- Billing and Financing Strategies
- Electronic Health Record integration
- Leadership and provider perspectives
- The role of Trauma Informed Care
