Domestic Violence *and the* Battle for Custody: *moving towards child safety*

Join us for an afternoon of learning

Come and hear whistleblower and former Family Court **Judge DeAnn Salcido** offer solutions on how to address domestic violence cases. Judge Salcido retells her training of dismissing abuse and how children end up in the care of their abusers. She is providing tools and solutions at this event.

See Rachel Meyrick's film ***What Doesn't Kill Me*** that takes you into the crisis, hearing from experts, to understanding how this is happening in our family courts today.

Film will be followed by a panel discussion including **Kathleen Russell**, Executive Director of the Center for Judicial Excellence.
