

# Progress!

Our 10 Task Forces improve services to strengthen all families.

Las Cruces, New Mexico

# Resilience Leaders: ACEs Prevention Task Forces

**A WORK-IN-PROGRESS**

## 1. Mental Health Care

We work in alignment with all providers to strengthen a system of care to ensure support is only a phone call away.

## 2. Medical and Dental Care

We collaborate with providers to strengthen systems of care and self-care.

## 3. Housing

We bring together experts in local housing programs to ensure everyone has safe shelter and a home base.

## 4. Food

We collaborate with food banks, farmers, schools, and the food industry to ensure kids and families are never hungry.

## 5. Transportation

We work with local innovative thinkers to strengthen systems that can get families where they need to go.

## 6. Parent Supports

We work with all those who support parenting and research ways to strengthen all parent programs.

## 7. Youth Mentors

We connect everyone involved with youth mentorship to create a system where every child has access to a mentor.

## 8. Early Childhood Learning

We work to create a system of childhood development programs for everyone.

## 9. Family-Centered Schools

We collaborate with the school community to strengthen their services for students and behavioral health care for families to improve academic achievement.

## 10. Job Training

We work to create training for parents and youth to succeed in tomorrow's job market.
