Hope 4 the **Wounded**

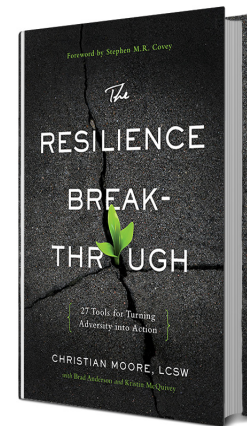

Resilience Education Workshop

Learning Outcomes

Hope 4 the Wounded teams up with WhyTry to bring you this powerful resilience education workshop. This two-day experience provides tangible tools that will equip you to help your students convert life's adversities and setbacks into powerful action. Other workshops have taught the *attributes* of resilience, but few have been able to teach the *skills*.

Bring hope and healing to wounded students through:

- Trauma-informed education
- Social-emotional learning
- Resilience education
- Relationship building techniques
- Strategies to keep wounded children engaged

Registration Details
