

Strategies 2.0

Strategies 2.0 is a catalyst for the professional skills, organizational structure, and community relationships necessary to mitigate the risk factors for child abuse and neglect, and to promote child, family, and community well-being.

We provide an integrated learning system that includes **TRAINING, CONSULTATION, and NETWORKING** for the family strengthening field.

The Culturally Proficient Professional

Many existing culture trainings provide concrete information about different cultural groups, however, this training is focused on you as a family strengthening professional! In this Culturally Proficient Professional training, you will actively engage in self-reflection while recognizing and challenging your ideas, biases, and beliefs about culture. By the end of this training, you will have identified personal strategies to practice cultural proficiency when partnering with children, families, and community organizations.
