---

How have you probed your community for readiness with trauma informed community development?

---

---

---

How will you involve the community when you return home?

---

---

---

What partnerships are you currently involved in that have been successful?

---

---

---

What strengths do you bring with you?

---

---

---

What community intervention strategies have worked in the past?

---

---

---

What are your expectations from this workshop?

---

---

---

What additional information can you add?

---
