What makes the Rutgers ECHO education model different?

Continuous Learning. Diverse Perspectives. Real-Life Examples. Dialogue with Experts. Mentorship.

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences and the New Jersey Department of Health. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This Rutgers Project ECHO is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$10,361,110.00 with 0 percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.
