

STRONG BRAIN INSTITUTE

RESILIENCE PRESENTATION SERIES

CREATING TRAUMA-INFORMED MIDDLE AND HIGH SCHOOLS

**Drs. Ginger Christian, Amy Horton,
and Kevin Graham**

Resilient school leaders recognize that training all school personnel, from custodians and bus drivers to teachers and principals, maximizes opportunities for mitigating the effects of Adverse Childhood Experiences while providing supports in and out of the classroom. In this presentation, learn about one school district's journey to expand trauma-informed practices and strengthen positive school cultures, while taking steps to implement restorative practices school-wide.
