

Announcing a New Series

Maternal Health Innovation & Reproductive Health

Join our collaborative educational series to tackle the top causes of maternal morbidity and mortality.

Participate in our learning community to identify evidence-based practices to prevent maternal death, develop strategies to reduce stigma and deliver patient-centered care, and acquire knowledge of the current state of reproductive health services, policies, and access in NJ.

Select Tuesdays
from 8-9 am
via Zoom
Starting January 9th
CEs available

Series Leaders:

- Julie Blumenfeld, DNP, CNM, IBCLC, FACNM, Program Director, Nurse Midwifery & Dual Women's Health/Nurse Midwifery, Assistant Professor, Advance Practice Division, School of Nursing, Rutgers Biomedical and Health Sciences

What makes the Rutgers ECHO education model different?

Continuous Learning. Diverse Perspectives. Real-Life Examples. Dialogue with Experts. Mentorship.

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences and the New Jersey Department of Health. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This Rutgers Project ECHO is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$10,361,110.00 with 0 percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government.
