

## *Talking Tough Topics with Kids*

### Live Chat Event with Beth O'Malley

### May 9<sup>th</sup>, 2017

It's hard to know if, when and how to talk to children about abuse, addiction and ACEs. How do we find the right words or time? Please join **Beth O'Malley**, our special guest for the first in our Parenting with ACEs chat series. Chat events offer real-time discussion online.

Beth draws on her personal and professional expertise. Beth was a social worker with the Department of Children and Families (DCF), in Boston and adopted from foster care as a baby. She became a parent, through adoption and is the author of [Lifebooks: Creating a Treasure for the Adopted Child](#), [My Foster Care Journey](#), and other titles. Beth believes shame and fear can confuse and silence kids. She'll help us find simple strategies for tackling tough topics. All are welcome. **May 9<sup>th</sup>, 2017 at 10 AM PST / 1 PM EST.**
