

Live Chat Event on June 13th

Parenting, PTSD & ACEs with Dawn Daum & Joyelle Brandt

Dawn Daum & Joyelle Brandt are parents, writers, advocates and trauma survivors. Together, they edited the forthcoming Parenting with PTSD anthology and created an online community for parents recovering from childhood abuse. They educate mental health, human service and other professionals about the challenges and lived experiences of those parenting with ACEs.

Stories about parenting with PTSD & ACEs have most often been shared in private, in clinical settings and where symptom treatment and management are prioritized. [In this chat](#), all can connect peer to peer, person to person and parent to parent. In addition, parent survivors will share resources and ideas about non-traditional approaches useful at home and in the families and communities where we work, live and parent. Chat topics to be covered are:

- ACEs for parents.
- PTSD & parent triggers.
- Survivor wishlist.
- Parent-led advocacy, policy & social change.
