Venice

Chris Lolley, Executive Director of Prevent Child Abuse Florida will be facilitating the **Protective Factors** and **True Colors** presentations. **Protective Factors** are conditions or attributes in individuals, families, and communities that promote the health and well-being of children and families, thereby reducing the chances of child abuse and neglect. **True Colors** is a user-friendly temperament and personality typing program that is designed to uncover social information and the individual and helps foster an environment of understanding and collaboration.
