How are the School Climate Indicators Calculated?

The school climate indicators provide school-level descriptions of several factors that are known to influence learning success in schools.

Most of the subdomain scores are calculated by averaging the percentage of respondents who report the top two response categories on the survey items that comprise each scale. For example, “School Connectedness,” “Academic Motivation,” “Promotion of Parental Involvement,” and “Facilities Upkeep” are computed by averaging the percentage of respondents who report “Agree” or “Strongly agree” on the survey items that comprise the scale; “Caring Adult Relationships,” “High Expectations,” and “Meaningful Participation” are calculated by averaging the percentage of respondents who report “Pretty much true” or “Very much true” on the survey items that comprise the scale; and “Perceived School Safety” is measured by the percentage of students who report that they feel “Safe” or “Very safe” at school.

“Two or Fewer Absences per Month” – a measure of low chronic absenteeism – is measured by the percentage of students who report missing 2 or fewer days of school in the month prior to the survey. “Low Violence Victimization,” “No Harassment,” “No Mean Rumors,” and “No Fear of Getting Beaten Up” represent the percentage of students who reported not being victimized.

A value of 62 on the “School Connectedness” indicator, for example, means that on average, 62% of students report “Agree” or “Strongly agree” across the five “School Connectedness” survey items.

All sub-domains and survey items that comprise the scales/measures are listed below.

(1) School Connectedness (5 items)

- o I feel close to people at this school.
- o I am happy to be at this school.

- o use any other drug, pill, or medicine to get “high” or for reasons other than medical?

(14) Facilities Upkeep (1 item)

- o My school is usually clean and tidy.

Results are based on responses from 7th grade students on the California Healthy Kids Survey. Results are not included if less than 50% of students or less than 15 respondents provided data.

For the 2020-21 school year, results on student indicators that are only applicable to the In-school or Hybrid instructional models are reported if at least 10% of the respondents have indicated that they attended school in person or participated in hybrid classes. These results should be interpreted cautiously if few students attended school in person when the survey was administered.

Further information about the methodology used to construct the school climate indicators can be obtained by contacting Cindy Zheng at 562-799-5481 or czheng@wested.org.

State Averages

State averages are based on responses from 7th grade students who provided data on the California Healthy Kids Survey during the 2017-2018 and 2018-2019 school years.

The state average for “No Harassment” is not available (na) for the 2017-2019 academic years because a survey item that comprises the sub-domain was changed after the 2019-20 school year.

State Averages of School Climate Indicators

Explanation of Other Indicators

Results are provided on selected key student-reported school climate items as a complement to the school climate indicators.

Student-reported school climate measures and their sources are described below.

Selected Student-Reported School Climate Measures (CHKS)

- Try hard on school work – “agree” or “strongly agree” that I try hard to make sure I am good at school work.
- Three or more absences per month – missed school on three or more days in the past 30 days.
- Feel a part of the school – “agree” or “strongly agree” that I am a part of this school.
- Safety at school – feel “safe” or “very safe” when I am at school.
- Harassed or bullied at school – harassed or bullied on school property in the past 12 months for any of the following reasons: (a) race, ethnicity, or national origin; (b) religion; (c) gender; (d) gay, lesbian, or bisexual or someone thought you were; (e) a physical or mental disability; (f) you are an immigrant or someone thought you were; (g) any other reason.
- Parents feel welcome to participate at this school – “agree” or “strongly agree” that parents feel welcome to participate at this school.
- School is usually clean and tidy – “agree” or “strongly agree” that school is usually clean and tidy.
- Experienced chronic sadness/hopelessness – felt sad or hopeless almost every day for two weeks or more during the past 12 months.
