

# Resilient Berkeley ACEs Connection

Resilient Berkeley is a cross sector, community driven collaborative committed to building Berkeley's capacity to prevent and heal trauma.

## What We Do

- We seek to engage the whole community, including and beyond service providers, in becoming knowledgeable about ACEs and resilience.
- We are currently planning community based workshops on topics related to resilience. Our first set of workshops, scheduled for May and September 2018, will focus on parenting with awareness of ACEs and resilience.
