

Resilient Solano ACEs Connection

We are a collective of community partners committed to building a Resilient Solano County.

What We Do

- Resilient Solano partners are actively working on a Resilience plan to be launched by the end of 2018.
- We have screened the film Resilience twice in Solano County, and plan to bring the screening of this important film to every city in the county. Each screening includes discussion of the film and plans for next steps by city.
