

ROOTED IN COMMUNITY: MOVING FROM TRAUMA TO HEALING

Creating **healing communities** starts with understanding how we bring healing to **ourselves** and **our organizations**.

At the same time, moving from trauma to healing requires **public policies** and **systems changes** that recognize our **common humanity**, protect and prioritize **healing relationships**, and are rooted in an understanding of **historical wounds and wisdom**.

CONFERENCE DAY 1: November 20, 2019
12 P.M. – 4 P.M.
