

ACES AWARE PROVIDER TRAINING

Ten regions throughout California!

This training series for primary care, acute care, and behavioral health providers focuses on “Advancing Trauma-Informed Communities” and improving knowledge and capacity for utilizing community resources in the referral process. The goals of these trainings are to: a) increase provider insight into ACEs prevalence, b) develop screening capacity, c) explore tools to assess your local communities who experience ACEs, and d) identify strategies to facilitate a warm handoff by utilizing community resources for referral. Trainers will share considerations for integrating a service algorithm that clarifies which ACE(s) trigger particular service referrals. The training will also explore evidence-informed, non-clinical workflows; policy recommendations at the local and state levels; strategies for formalizing and sustaining partnerships with community-based organizations; and facilitating data sharing.

Professional Credits

Course meets the qualifications for 3 hours of continuing education credit for LMFTs, LCSWs, LPCCs, and/or LEPs, as required by the California Board of Behavioral Sciences. Catalyst Center is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs. Catalyst Center maintains responsibility for this program/course and its content.

Supplemental Training CME credits (3 CMEs for 3 hours of training) will be offered for physicians, physician assistants, and nurse practitioners. Additionally, this activity has been submitted to the California Board of Nursing for approval to award contact hours (3 CMEs for 3 hours of training).

All trainings are from 10am-1:30pm, with a 30-minute lunch break.
