ACTS

Advancing California's Trauma-Informed Systems

WHAT IS THE ACTS PROJECT?

Our mission is to partner with child serving systems to create innovative, trauma-informed change that will support the workforce and lead to improved outcomes for children and families. This partnership is made available at no cost to counties through support from the California Department of Social Services, Office of Child Abuse and Prevention.

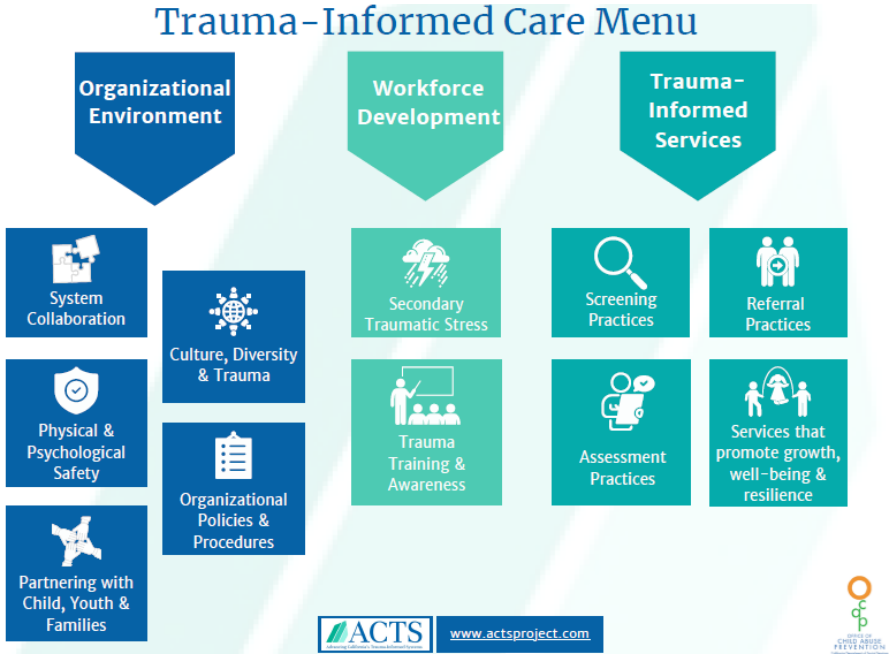
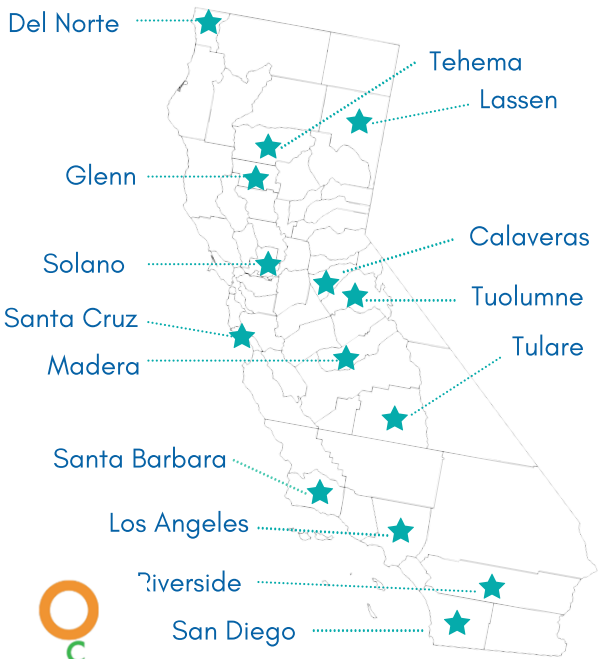
WHAT WOULD ADVANCING TRAUMA-INFORMED CARE LOOK LIKE?

Our trauma-informed menu serves as a blueprint for child welfare systems interested in implementing trauma-informed change.



ACTS PARTNERS

We have partnered with 14 counties of all sizes that represent diverse communities across the state of California.



ACTS IS LOOKING FOR NEW PARTNERS!

We are looking for child welfare county partners with motivation and capacity to engage in change practices dedicated to advancing trauma-informed care in their system.
