

# Strategies 2.0

Growing knowledge and networks for professionals working with families

## Registration is OPEN! Sierra Region Learning Community Convening *Fourth in the Building Resilience Series*

**When:** Thursday, May 16, 2019

**Time:** Registration and Networking from 9:00-9:30 a.m. Program from 9:30 am – 12:30 p.m.

**Where:** In-person at Amador County Child Abuse Prevention Center in Jackson, at remote sites in Markleeville, Bishop, and Loyalton (to be confirmed), or individually from your personal computer!

**Enroll at:** <https://strategiesca.asentialms.com/catalog/>

The Learning Community series will continue to focus on Promoting Resilience using a Trauma-Informed Approach, highlighting evidence-based behavioral health programs. Hear about successful approaches to support the behavioral health needs of children and families with a focus upon rural communities.

### Featured Speakers:

Kim Catanzano, Program Director, Project Permanence, [Lincoln](#), West Oakland, will share the key components of its wraparound program, providing a team approach to serving youth in foster care.

Carly E. McCord, Ph.D., Director of Telebehavioral Health, [Texas A&M Telehealth Counseling Clinic](#) will share information on the Madison County Outreach and Services through Telehealth (MOST) Network.

Doty Shepard, Director, [Resilient Colorado](#) will describe a collective impact project in Durango County with a focus on suicide prevention.

Network with other professionals in your region to identify concrete actions to develop a behavioral health system that fosters resilient families, agencies and communities.
