

The 10th annual **PREVENT-A-THON**

Bring Darkness to Light and Help End Child
Sexual Abuse

Let us train your staff to protect children - we will come to you!

April 15-21, 2018

During this week, SCAN (Stop Child Abuse Now) will be offering **FREE**
Stewards of Children training for interested agencies/organizations.

Stewards of Children teaches adults how to prevent, recognize and react responsibly to child sexual abuse. It is the only nationally distributed program proven to increase knowledge, improve attitudes, and change child protective behaviors.

The goal of this training is to diminish the incidence and impact of child sexual abuse and to raise awareness of the prevalence and consequences of child sexual abuse in our communities.

Together we can protect their **only** childhood.

Interested organizations should contact Amy Fox at foxa2@vcu.edu
