

**Resilient Guilford Network:
Trauma Provider Network Action Work Group
June 1, 2022 from 12:00pm-1:00pm**

Meeting Notes:

Thank you to all who joined our June 2022 RGN/Trauma Provider Network Meeting focusing on Resilient & Thriving Communities Week (June 6-12, 2022). The Trauma Provider Network (TPN) action team of Resilient Guilford focuses **on direct service coordination, education, and outreach.**

In June's meeting, we focused on Resilient & Thriving Communities Week and ways to support and encourage local collaboratives, communities and agencies to adopt June 6-12, 2022 as "Resilient & Thriving Communities Week." Thank you to all of our partner agencies for joining us to spread the word!

We also received great information from two Spotlight Speakers, namely Kelly Purcell (Healthy Blue Initiative) & LouMecia Staton (Guilford County Partnership for Children).

Kelly provided information about the Healthy Blue Initiative (HBI) and PACES Connection. She shared information on what PACES Connection has to offer, how to join and the many learning opportunities provided.

LouMecia provided information about GC Partnership for Children including Smart Start Funded Programs and additional information about Resilient & Thriving Communities.

Lylan shared the new Guilford County NC 2022 Data Card that has rich information and data about Guilford County. You can access that data card online [here](#).

Upcoming Trainings:
