Charlotte County, Fla.— The Florida Department of Health in Charlotte County (DOH-Charlotte) will be hosting our second Community Conversation Friday, December 3, 2021 in partnership with Florida Gulf Coast University (FGCU), Department of Health Sciences, Marieb College of Health & Human Services.

Community Conversations is a health series by the Florida Department of Health in Charlotte County that invites public health experts to discuss current health topics and trends most relevant to you, our residents. As part of the county's Community Health Improvement Plan (CHIP), each Community Conversation will have a Q&A portion for you to ask our featured health expert questions or you may submit questions ahead of time when you register.

This December, our second Community Conversation is pleased to welcome Dr. Shelby Gilbert, Associate Professor of Public Health at FGCU in the Department of Health Sciences, Marieb College of Health & Human Services. Dr. Gilbert will present and lead us in a discussion on community health disparities and inequities in transportation access in Charlotte County.

Free and open to all! Please join us **Friday, December 3, 2021** from **2:30PM-4:00PM** for this virtual conversation.

To register, go to: <https://www.surveymonkey.com/r/CCFal21>.

For any questions about this event, email HealthyCharlotte@flhealth.gov or call 941-624-7200 ext. 7326.
