Promoting Early Developmental Intervention – PEDI Clinic at Mary Lee’s House

Brief Recap of from the previous month:

- Focused getting ideas and feedback around the September 9th training day
- Discussed ideas on how to build off of this and build collaborative capacity for facilitators
- Began discussion on a Spring seminar / conference.
- Discussed the idea of a community book club “what happened to you.”

PACES workgroup purpose:

To be a community driven workgroup focused on advocacy, education, awareness related to the science of Positive and Adverse Childhood Experiences (PACES). This workgroup is committed to exploring the role we play as a community in supporting positive experiences and mitigating adverse experiences.

PACES Connection and Hillsborough PACES webpage update:

- We have increased our PACES Hillsborough Community membership from 20 to 22.
- Blog Post: Back to School with Hope.... 12 ways to practice PCEs as children return to school.
<https://www.pacesconnection.com/blog/back-to-school-with-hope-positiveexperience-org-category-blog>
- A few new ideas were added to the Jam Board.

Workgroup Task Items / Discussion:

- September 9th Training
 - We are at capacity and have needed volunteers. Filled up in 3 days and we do want to offer more. Thinking next in January 2023 timeframe.
 - Have CEUs available for psychology, LMHC, LMFT, LCSW and midwifery through USF and the CBHC.
- Build off of this training
 - Canned 2 hour that we can take anywhere and others can use in the community.
 - Interest in other facilitators so we can have some rolling facilitators for future trainings or to offer to specific targeted groups.
 - Asking those interested in offering the training to come to the September 9th training.
 - Incorporated into curriculum (longer term goal).
 - Incorporate into degree seeking social services programs. Trying to promote this through advocacy.
- Spring Seminar.... Shift to Spring as our next training to focus on.
 - Target 150 probably 9am – 3pm.
 - Need a location and date Looking at February / March or April.
 - SPACE IDEAS: USF, HCC (Plant City or Ybor Campus), FDLE by airport, Stetson, Portico, Grace Family Church or City Life Church, High Schools (Hillsborough or King). Possibly a local church. Maybe Grace Family Church (South Tampa) and City Life Church.
TIME FRAME: February, check the HCPS calendar for non-student days that may allow getting more teacher participation (Feb 17 is a non-student day).
March (non-student day Monday March 6th but that is Strawberry Festival Day).
**if a non student day may be able to get a High School as space. Hillsborough and King HS are central. We can present a couple of HS's to Angela and Christina.
 - Susan – include topic on how to “administer” ACES questionnaire to clients and then be able to translate it into conversation.
 - Nikki – we could also incorporate the PCE questionnaire in this.
 - Abraham – topic on Relational Health.
 - Abraham – possible topic on the relationship between ACES and Addiction.
 - Consider break out sessions once we have location figured out.
(e.g., Clinical Track, Non Clinical track).

Angela reported she has presented twice to HCPS personnel using some of Abraham’s content. School Counselors and a group of school psychologists, social workers and school counselors.

Christina: Emily Cimino is coming to the Sept 9th training and then she would be the great contact for getting in front of Early Education Teachers through HCPS.

Abraham was able to present to School Nurses through HCPS.
