CULTIVATING COMMUNITY WELLBEING

Wednesday, June 22nd
12-1 p.m.

[Register Here](#)

What are the elements that help to create stronger communities? We will discuss how the natural leaders, the trusted wise members of communities, can help in cultivating meaningful, compassionate dialogue to help to create systems that are more equitable, just and inclusive.

This session will be facilitated by [Elaine Miller-Karas](#). Click on the registration link for the full description of this session.
