

PLAAY at CFR Fall Programming 2021

Community PLAAY Workshop

- A four day workshop led by the PLAAY at CfR trainers equipping participants with the skills necessary to facilitate PLAAY groups within their own organizations
- Each participant will receive certification to facilitate the PLAAY intervention

Community PLAAY Group

- A twenty session, ten week, group therapy intervention for children ages 7 to 18 led by PLAAY at CfR facilitators in youth-facing organizations or schools
- Two to four additional sessions are necessary to collect pre- and post-intervention data
- Sessions run 60 to 90 minutes, are generally best scheduled as after school programming and groups can accommodate up to 15 participants
- A minimum of two sessions will include participants' caregivers
- Each organization knows their students or members best and may select participants best served by PLAAY

PLAAY Train the Trainer Track

- A comprehensive track including multiple workshops equipping participants with the skills, knowledge base and understanding of PLAAY and racial literacy necessary to train and certify staff within their own organizations to facilitate PLAAY groups
- Leads to the highest level of sustainability within organizations
- Includes training directly with Dr. Howard Stevenson, Constance Clayton Professor of Urban Education at the University of Pennsylvania and creator of the PLAAY intervention
