

# Trauma-Informed PHN Visits to Parents and Children –

## An Innovative Multidisciplinary Approach to Home Visiting for Public Health Nursing Teams

August 29, 2019 9:00 am – 4:00 pm

Hosted by Napa County Health and Human Services Agency

Public Health Division

2751 Napa Valley Corporate Drive, Napa CA

**This FREE course is pending approval for 5.5 BRN CE contact hours**

RSVP by 8/23/19 to Jeanette Braker: [jeanette@persimmony.com](mailto:jeanette@persimmony.com)

### Course objectives

At the end of this course, the learner will be able to:

- Identify one or more health or social risk factors associated with having experienced childhood trauma
- Describe an experience that either exemplifies or lacks a trauma-informed approach
- Demonstrate how to introduce the topic of ACEs in a home visit with a parent/child dyad
- Compare short, medium and long-term measurable outcomes for PHN home visiting programs

# Trauma-Informed PHN Visits to Parents and Children –
