

ACE/Resilience Collaborative Meeting

June 9, 2020

Meeting was initiated at 3:30 by Jessica.

Resources

Website Update

Continue posting content on Resilient Benton-Franklin, located on the [ACEs Connection](#) site! This will continue to serve as the main method of communication between community members. Members will also be able to post and share resources or flyers. You will also need to join the main ACEs Connection site for additional resources to join the local site. Please let Jessica Garcia know if you do not receive anything or need assistance with the sign up process.
