

RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

Film Screening and Community Discussion

Wednesday, January 31, 2018

3:00pm-5:30pm

John F. Kennedy Library
Joseph Room
505 Santa Clara Street
Vallejo, CA 94590

With Moderator

Erin Hannigan

*Solano County
Board of Supervisors*

Toxic stress can wreak havoc on the brains and bodies of children, putting them at a greater risk for disease, homelessness, prison time, and early death.

Resilience chronicles trailblazers in pediatrics, education, and social welfare who are using cutting-edge science and field-tested therapies to protect children from the insidious effects of toxic stress.
