

# Strategies 2.0

*Strategies 2.0 is a catalyst for the professional skills, organizational structure, and community relationships necessary to mitigate the risk factors for child abuse and neglect, and to promote child, family, and community well-being.*

We provide an integrated learning system that includes **TRAINING, CONSULTATION, and NETWORKING** for the family strengthening field.

## The Pair of ACEs: Building Community Resilience

This half-day training explores the relationship between Adverse Childhood Experiences and Adverse Community Environments. Participants will understand the implications of historic ACEs study on adult health and well-being, learn about the crucial foundations for building resilient communities, and identify techniques for addressing the root causes of ACEs to help alleviate their effect in communities.
