Register at:

<http://tinyurl.com/SDCCTFCBT2016>

Please join us for a 2 day training in **Trauma Focused Cognitive Behavioral Therapy (TFCBT)** presented by Alison Hendricks, LCSW, certified National Trainer of TFCBT and TFCBT Culturally Modified.

We highly recommend you complete this free web introduction to TFCBT before attending the in person workshop: <http://fcbt.musc.edu/>

By the end of the 2 day training, participants will be able to:

1. Describe the core components of TF-CBT
2. Identify appropriate cases for TF-CBT
3. Describe treatment interventions and resources for each TF-CBT treatment component
4. Identify cultural and developmental factors that influence TF-CBT treatment
5. Define secondary traumatic stress (STS) and strategies for addressing STS

Seating is limited! Reserve your space today!
