

Building a Virtual Restorative Community

Presenters:

Anthony Ceja, Jen Vermillion and Robert Ruiz

San Diego County Office of Education, System of Supports Department

- Provide participants with experiential learning via Zoom to increase understanding how to integrate restorative practices strategies into distance learning to help strengthen their virtual restorative classroom and school community.
- Participants will learn easy to implement practices to enhance social emotional learning, while helping their students, parents, and colleagues strengthen their sense of connectedness to each other and the school community.

Space is Limited: 30 Person Maximum per session.
Pre-requisite: Have understanding of Restorative Practices
