Amelia Barile Simon is a Community Health Program Specialist at the County of San Diego, Health and Human Services Agency – Public Health Services in the Chronic Disease and Health Equity Unit and Office of Violence Prevention.

She has worked as an advocate to address various public health issues including tobacco use, asthma and lung disease, domestic violence, teen dating violence, trauma, worksite wellness, and chronic disease prevention.

Her passion is empowering youth and families exposed to violence and trauma. She is a strong advocate for improving communities through building resident capacity, resilience, and leadership.
