

Strategies 2.0

Growing knowledge and networks for professionals working with families.

Re-visioning Prevention: Exploring Systems Innovation and Best Practices in the Prevention of Child Abuse and Neglect

Join the **Strategies 2.0 Southern California Learning Community** for the first convening in a 4-part series building leadership capacity to improve outcomes for children and families in the SoCal region. Engage in regional peer exchange and learn from concrete examples how to implement and grow child abuse prevention programs.

Thursday October 3, 2019

9:30am – 12:30pm, Check-in at 9:00am

Participate in person in Hawthorne, remotely in San Luis Obispo, Ventura, San Bernardino, Moreno Valley and San Diego or online

An Equitable Vision for Children & Families

Presented by the UCLA Center for Healthier Children, Families and Communities

Learn about cutting edge technology that examines risk factors in communities.

Explore an integrated approach that combines data from science, topographical studies and social conditions to understand outcomes for children.

Understand how to use data to help communities harness their potential for well being.

A Framework for the Prevention of Child Maltreatment

Increase your understanding of how *primary*, *secondary* and *tertiary* child abuse prevention programs are defined. Begin mapping the child abuse prevention programs in your community and discuss how to prevent abuse and trauma in the design stages of not just programs, but neighborhood development, city planning and community livability.
