

ACEs Connection

Healthy, happy kids grow up to create a healthy, happy world.

Visit www.acesconnection.com/g/sonoma-county-aces-connection/home and join the Sonoma County ACEs Connection community. We work together to:

- Inform our community about Adverse Childhood Experiences (ACEs), their lifelong effects and effective interventions.
- Promote evidence-based strategies and programs to reduce the impact of ACEs.
- Build resilience and prevent future ACEs.
- Change systems to identify and serve persons impacted by trauma more effectively.
