

# Trauma Informed Care Training

## Training Overview & Activities

Starting in May 2016, Roseland Pediatrics pediatrician Dr. Meredith Kieschnick will be offering monthly Wednesday trainings for providers and staff of Santa Rosa Community Health Centers on components of trauma-informed care and related issues.

Trainings are from 12:30pm to 1:30pm and held at our Vista Family Health Center site in Conference Room A. Topics will rotate, with each training session covering one topic. Training topics include:

- Introduction to Adverse Childhood Experiences
- Sensitive Screening Administration for Trauma & Resiliency
- Understanding & Preventing Vicarious Trauma
- Embracing the Trauma-Informed Model of Care in the Community
- Resources & Tools for Trauma-Informed Settings

## Tentative Schedule of Topics
