A 501(C)(3) ORGANIZATION

**SATURDAY, JANUARY 14, 7 - 10 PM**  
**LUTHER BURBANK CENTER FOR THE ARTS, SANTA ROSA**

Northern California is one of the nation's top destination for trafficking human beings. In Sonoma County, the average age for a forced sex worker is 12-14 years old and most are runaway boys and girls taken within 24 hours of running away.

Tickets include wine & brew pours and appetizers. Attendees will experience a memorable evening of socializing, a silent auction and a wine cellar raffle (4 cases of premium wines). Then for the real entertainment, we will move to the theater to watch our "Heroes" walk the stage and become Champions for Human Trafficking Awareness!

## **TICKETS**

Tickets are \$45.00 for the event and can be purchased at [www.lutherburbankcenter.org](http://www.lutherburbankcenter.org) or by phone at 707.546.3600.
