

# Sebastopol Snowflake Hunt

Presented by: Peacetown Family Village and Sonoma County PACEs Connection

*Your mission is simple, get outside and walk around our beautiful city of Sebastopol looking for the hidden snowflakes-they could be inside or out. Follow the clues, check off the boxes completed, and find the word on each snowflake to complete the ways of being in Peacetown. Have fun, and please share some pictures of your journey and what one of the words means to your family to the Peacetown FB page or email to [elizabeth@projectwholechild.com](mailto:elizabeth@projectwholechild.com).*
