

SACRAMENTO OPIOID PREVENTION SUMMIT

AGENDA HIGHLIGHTS

Law Enforcement Session: The U.S. Attorney's Office and DEA will discuss national and local trends, U.S. Department of Justice policy, and current enforcement efforts.

Medical Session: Physicians will discuss safer prescribing practices, complementary pain management techniques, and medication-assisted treatment programs.

Lightning Talks: Discover best practices for the treatment and prevention of opioid abuse from industry experts.

21st Century Cures Act: Learn about funding streams and systems from federal, state, and local experts.

And more!

DESCRIPTION

Join health care professionals, treatment and prevention experts, educators, students, and law enforcement leadership for an in-depth discussion of the prevention, treatment, and enforcement efforts being undertaken to combat this growing public health crisis.
