

Free 6 week Social Parenting & Learning Series

Offered FREE with support from:

Parents with children ages 0-5 are invited to participate in a **6-week Social Parenting and Learning Series** facilitated by a licensed pediatric Occupational Therapist and Social Worker.

Weekly Sessions will be an opportunity to make connections with other parents sharing in a similar parenting journey. **The objectives are to share parenting experiences, successes, and challenges, in a supportive environment and to develop a social network in your community.**

Activities will include **discussions, crafting, problem solving, developmental and behavioral education**, and much more fun! All materials and snacks will be provided. We hope that you can join us for all 6 weeks, but if you have to miss one or two, don't let that stop your participation.
