

ZAHIRA ELMANSOUMI

AmeriCorps Foster Youth Mentor

Phone: (831)419-7197

Email: zahira@yolofostercare.com

My name is Zahira Elmansoumi and I am a new AmeriCorps Foster Youth Mentor for Yolo County Office of Education and Woodland Community College. As a current TAY (Transitional Aged Youth), I have the personal experience and know-how to help other foster youth and have spent the last six years assisting middle and high school aged students with academic tutoring. Having just graduated from the University of California, Davis, I am versed in the skills that are necessary to successfully apply for a higher education program, financial aid, and academic assistance.

My job is to serve current and former foster youth ages 12-21 in Yolo County to expand and enhance their personal, academic, financial, and professional growth and success throughout grades K-12 and afterward. I very much look forward to speaking with you about ways I may be of service to your youth(s).
