

Creating a Healthy and Safe Home Environment by Learning About: **FINANCIAL FREEDOM IN THE FAMILY**

Join us for an Art of Parenting Webinar...

Achieving lifelong financial success can sometimes seem like an overwhelming task. However, when developed step by step, you can gain long-term control of your finances. This workshop will help participants learn how to communicate with their family members on setting goals in their finances. By participating in this Workshop Participants will also be able to create a budget, build savings, reduce debt, and tips for buying a home that will help create a safe, nurturing family environment, raising compassionate and healthy children.
