SCAN ME

For service providers
and immigrant rights
advocates in California.

Thank you for your
support to promote
immigrant health,
life and wellness.

Attend & Learn:

- Public charge and its impact on access to public benefits for immigrants
- Public benefits available for immigrants and how to speak to clients about them
- Review content of materials provided by the California Protecting Immigrant Families Outreach and Communications workgroup
- Obtain answers to general legal questions around immigration, public charge, and public benefits
