

Building Brains Through Relationships and Experiences

Small but significant changes...

Join us for a Growing Brain Café Experience

Children's Home Society of California offers a range of services that ensure every child the opportunity to develop within a safe, healthy, and secure environment. As part of our mission to cultivate child, family, and community wellbeing, we will be hosting a Growing Brain Café. Parents are invited to join our virtual parent cafe where we will discuss the topic of Social and Emotional Development. The Growing Brain Parent Café is an opportunity for each of us to share what we have in common-being a parent.
