

## **Supporting Students in Foster Care Following a Pandemic**

Content will focus on increasing our understanding of the impact of trauma exposure on our students, particularly those in foster care, and ourselves. As we emerge from the Pandemic, this understanding will help us respond to the complex concerns we are all facing.

**Date:**  
**December 13**  
**Time:**  
**9:00-11:00am**

**Michelle Lustig, Ed. D, MSW, is the Director of the Technical Assistance Program for the Los Angeles County Office of Education, Foster Youth Services Coordinating Program**
